Information You May Want To Know!!

PLEASE NOTE THE RECENT CHANGES LISTED BELOW:

1) The MSA Board approved a reduction in the minimum target requirements, to align with the revised NSSA standards that make you eligible for the All State Teams and NSSA Teams for 2008/9. These may change in the future back to the original amounts, but until further notice the amounts required are: 12Gauge, 1,000 targets; 20 Gauge, 28 Gauge and .410 are 800 targets; Doubles, 500.

2) The MSA Board approved an additional explanation to the requirements to make a State Team for the years going forward. The new addition reads:

Additional requirement for all teams: If only the minimum number of required targets is shot, then all but 200 targets in each gauge/event must be "regular targets" (i.e., not "targets only"). For each 50 or 100 targets above the required "regular targets," "targets only" are allowed. However, no "targets only" shot after the Michigan State Skeet Championships will be

used for determining an individual's eligibility **unless** they are needed to make the minimum target requirements.

The next Board Meeting of the Michigan Skeet Association will be held on Saturday, April 4, 2009 at the Detroit Gun Club after shooting is completed (approximately 4:00 p.m.).

The next annual Referee Clinic, Shoot Scheduling and Board meeting will be held on Saturday, November 7, 2009 at Saginaw Gun Club at 10:00 a.m. The Referee Clinic will be first,

followed by the Shoot Scheduling and the Board meeting.

Saturday night at the State Shoot is always special with many awards given out. This is also the night that we do the Hall of Fames Induction Ceremony when we had a candidate to enter the Hall of Fame. After our dinner and all the fixins, no one is able to move, so the festivities start.

This year saw George Gilliam and Ed Weycker in their best tuxedo's, at the ready, to handle this years induction ceremony. Mr. Glenn Buege was inducted into our Hall of Fame and the entire statistics and article can be read elsewhere in this magazine. Our congratulations go out to Glenn. Here is a good place to send kudo's to Debbie Behnke and her great staff, who serve us well throughout the entire weekend. Thanks group!!!

Michigan has an unusual event for the 12 gauge teams. We call it the "Friendship Teams" and we are matched by averages so that each team has an equal chance of winning. Cass City Boys always make themselves to home — But so do —

The Yoopers - seem to have everything one could need to settle in —

It was really nice once again to see such a large number of “yoopers” come down into “troll” country. As you can see they took their fair share of awards. Thanks for coming so far to compete with your entire state.

It should be noted that the election for Board of Directors was held on Sunday afternoon. The persons elected to a two year term were: Jane Carpenter, George Gilliam, Jr., Al Magyar, Trish Magyar, Loraine Malloy and Dave Schiebel. Conni Place has accepted the call to fill Dave Keem’s vacated one year term. Thanks Conni!

The Most Improved Shooter from 2007-2008 at the State Shoot was Jeffrey Rimer who went up 35 targets over last year. From 342 to 377. Congratulations Jeffrey!

Walker Cup Prelim & Doubles

We have yet to figure out how he does it, but Scott Behnke and his dedicated staff not only come up with a new theme, but always top the previous year's performance at the Kastle Family Charity Shoot... The weather couldn't have been worse the weekend prior to the Kastle shoot, and with more storms developing in the Atlantic, we prayed the Gods would be kind. Thankfully, they were; the weather couldn't have been more perfect! Clear blue skies; only a light breeze (on occasion); temperatures in the upper 70s; and **NO** white-puffy clouds!

There were five perfect scores in the Friday morning 75-bird "Event 6" Walker Cup with the .410, in which the top ten shooters compete for a beautiful Waterford Crystal trophy. But, as you will learn, the shoot-off isn't conducted under the "usual" rules. The remaining five spots were determined in a shoot-off of nine 74s after the Doubles event was completed. In the afternoon, everyone took to the fields for the Doubles Event, in which seven shooters managed to break 100s; among them, a first for Artie Tessman! The competitors were eager to prove who was the best and gave each other a run for their money – four ran the first box of doubles at 3, 4 and 5; and it took nearly another round to settle all places with Sam Armstrong emerging as Champion, Gary

Low Runner-up, and Howie Bailey, 3rd. Class winners were: Kurt Grates (AAA); Artie Tessman (AA); Gayle Osborne (A); John Waters (B); Don Legere (C)

and Dick Schroeder (D). Lori Desatoff was Lady Champion.

12 & 28 Gauge

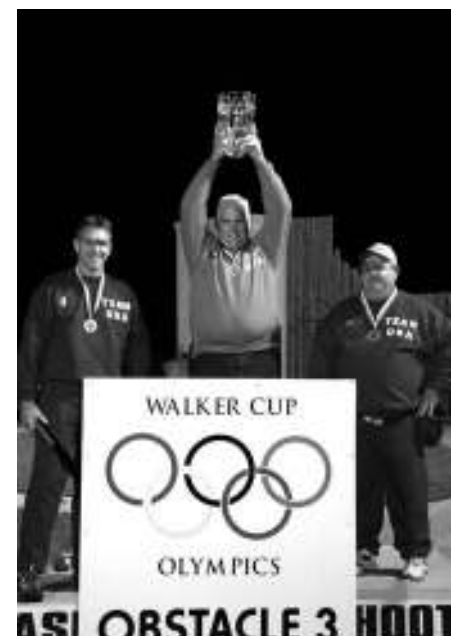

Our good fortune continued, with Saturday's weather even nicer than Friday's – a little warmer, and still the bluest skies you've ever seen and virtually no wind. Unbelievably, only fifteen shooters managed to post 100's in the 12 Gauge Event. Four shooters made it through the first box of the 12 Gauge shoot-off. Marc Vaillancourt and Mike Kremski both missed late in the 2nd round, and had to continue on, with Vaillancourt claiming 3rd. and Kremski AAA1. Mike Schmidt, Jr. and Wayne Mayes continued on into the 3rd box... a repeat of last year with, much to Wayne's chagrin, the outcome the same with Schmidt the victor, and Mayes, Runner-up. The top finishers in class were Marshall Steinbeck (AA); Tom Whitner (A); Ken Meyers (B); Ron Snider (C), Bill Brown (D); and Scott Hamm (E). Ellie Hawthorne was Lady Champ over Gayle Osborne in their shoot-off of 99s. Nine went straight in the afternoon's 28 Gauge Event, of which only two managed to come through the first box unscathed. More than half-way through the second box, our own Brent Edwards claimed the Championship, with Sam Armstrong in the Runner-up spot, and Mike Schmidt, 3rd. Class honors went to Dave Scott (AAA); Chester Kowalski (AA); Len Smith (A); Tim McLane (B); Ed Brooks (C); and Dick Schro-

eder (D). Ellie Hawthorne repeated as Lady Champion. The end of the first day saw only two individuals 200 straight – Chuck Isaac and Mike Schmidt. However, there were **ten** shooters only down one target. Now that the mundane part of the day was taken care of, we could get on with the show!

The Thrill of Victory & the Agony of Defeat

The Walker Cup debuted nine years ago with the idea of putting some fun back into competitive skeet shooting. Each year has had a different theme... WWF; Rock Stars; West-Side Story (Sharks vs Jets); NFL (AFC vs NFC); Heroes and Villians; NASCAR; Professional Rodeo; and Pirates. This year's theme was the *Olympics*. The festivities began with interviews of all the participants in their "Team USA" sweats (and they were sweating), with questions such as if this was their first Olympics; how long they had been competing; and what tactics they might employ, especially in light of the new point system that was being implemented when it got down to five shooters (the harder the hit, the higher the score). The Olympic torch was lit by our most senior "Olympian" on the grounds, Sam Caradonna, which sparked off a grand fireworks display. Then the ten finalists took to the

field with a lot of whopping and hollering from the crowd during the shoot-off. Flash targets are used, to add to the excitement for the spectators. There was ongoing commentary from our DGC sportscasters, Billy Ray Suggs and Mike Kremski, which kept the audience and competitors laughing. For those who don't know, the Walker Cup is not like any other shoot-off you will ever witness... there's music blaring, the crowd heckling, and the commentators interrupting to question the shooters on what they are going to do on the next shot or what they did on the last! (We have club members who aren't even registered shooters that come out each year to watch this event; it's no wonder that DGC has a reputation for treating everyone to a great time!) At the second station, six of the athletes missed, so they continued until there was only one to join the remaining four finalists. At that point, the scoring round began – the Gold Medal (and coveted Waterford Crystal Walker Cup) would go to the shooter with the most points at the completion of the round. After each pair was fired on, the judges would render their decision. A miss did not mean elimination, but neither did a chip assure victory. After a half-dozen stations, the point totals were assessed. The one Canadian on Team U.S. Eeh, Steve Loveday, was lagging behind, and whether it was a concerted effort on his part,

sympathetic judges, or bribery, he started to close the gap, but it wasn't enough. At the completion of the round, Billy D. Williams eked out a victory for the Gold medal over Wayne Mayes by **one** point, with Howie Bailey and Marc Vaillancourt tied for the Bronze. The ensuing shoot-out saw Bailey ascend to the podium to the Gold and Silver medalist among the cheers of an enthusiastic crowd.

20 Gauge & .410

For Sunday's events, the weather Gods continued to be on our side for a change. But, we figured it couldn't last, since the .410 was still to be shot.

Twenty-two was the number of perfect scores in the 20 Gauge event, with Schmidt the only one still perfect in the High Over-All race; but there were still **11** shooters hot on his heels down only one or two targets going into the "baby-bore" event; and, as we all know, anything can happen in the .410! It didn't even take a full round to determine the winner, Schmidt, followed by Marc-Andre Jodoin (RU), John Herkowitz (3rd) and Mike Kremski (AAA). Top class finishers were: Fran Kosmacki (AA); Pete Pantalena (A); Bob Pantier (B), Mike Morrissey (C) and Dick Schroeder (D). Lady Champ was Loraine Malloy. The weather, miraculously, was

Continued on page 27

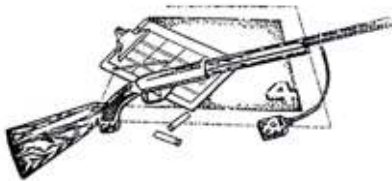

2008 Kastle Family Charity Shoot

Continued from page 26

ideal for the final event... Three shooters were perfect in baby-bore, and Lori Desatoff showed it took a lady's touch, claiming the title over Dave Starrett (RU) and Al Magyar (3rd). Wayne Mayes won the shoot-off of **nine** 99s for AAA. W.C. Parks (AA); Ryan Cafarelli (A); Tim McLane (B); Dick Montel (C) and Rick Trawinski (D) rounded out the class winners.

High Over All & High All Around

When all was said and done, Mike Schmidt was alone with a 399 for HOA Champion. Four 398s vied for the remaining places on the podium, with John Herkowitz RU; Sam Armstrong, 3rd; and Al Magyar, AAA. Class winners were Marshall Steinbeck (AA); Denny Tanis (A); Jim Caputo (B); Dick Montel (C) and Rick Trawinski (D). Lori Desatoff was Lady HOA Champion. In the HAA event, Schmidt was, again, alone with a high score of 499, with Armstrong RU, and Al Magyar 3rd; followed by Howie Bailey (AAA); Brent Edwards (AA); Chester Kowalski (A); Loraine Malloy (B); and Lauren Best (C).

HOA winners.

**Thank you,
thank you,
thank you!**

Scott Behnke and his Detroit Gun Club crew outdid themselves, again, at this year's Kastle Family Charity Shoot. Without the support of our sponsors Roger and Matt Kastle; Spike Walker of Walway Corp.; and DGC members John Haugh, Frank Martuscelli and Mike Searle this event, the attendant show and cash donation to the Detroit Children's Hospital would not be possible. Once again, a grand time was had by all at the *best* gun club in the country. Untold thanks go to all our sponsors for their generous support and donations; Scott Behnke and his assistant

manager, Danny, for a great job of ensuring the targets flew true; the excellent referees for keeping their thumbs on the buttons and giving the targets to us when we called for them; Debbie Behnke, her kitchen staff (Michelle and Jessica) and waitresses (Shannon, Britney and Ginny), who made sure that no one went hungry (or thirsty!); and our shoot staff Julie and Kathy who did an outstanding job making sure the scores were promptly posted and the shoot-off sheets ready to go after the last shot was fired. Thank you one and all!

One final word... no surprise, Scotty already has in mind what he is going to do for next year's show, but you'll have to be in attendance (or read about it after the fact) to see what the theme is. We hope to see you here!

Wayne County Sportsman's Club 2008 Fall Open

By Loraine Malloy

The Fall Open is hosted by Wayne County Sportsman's Club the second weekend of September each year. This year's event was held on September 13th and 14th.

We were looking forward to this year's event with great expectations, as this year's shoot was the second Fall Open to feature added money, and it was to be the first Fall Open with a sponsor for each event, including HOA and HAA. We were able to advertise at least \$1,500 in added money, and announced the weekend of the shoot that the total added money was actually \$1,750.00.

To say that the skeet gods had different ideas for this year's shoot would be an understatement. The weather reports going into the weekend called for steady rains through out the day for both days of the weekend. The shoot committee wondered if we would have any shooters at all!! Happy to say that in total twenty four brave souls decided to defy the weather and take to the skeet fields.

The first flight of doubles went out at 9:00 am on Saturday, and greeted the rains head on. The second flight of doubles which went out on Sunday morning had dryer conditions. The Doubles Event was sponsored by the Operating Engineers Local 324. We would like to thank Randy Hughes for bringing this sponsor into the WCSC fold. The event was won by Duane Lamley with a

fine score of 99. Richard Curlett finished as event runner up with a 97. Class winners were as follows: AA1, Dave Pratt; A1, Pete Pantalena; B1, Jeff Rimer; C1, Frank Pantalena; D1, Bill Wells.

The 410 event treated all the shooters equally, everyone got wet, really, really, wet! Consid-

ering the conditions, the scores held up fairly well. This event was sponsored by ZEP Manufacturing, a returning sponsor from last year's shoot. We would like to thank Jim Sykes for his work with this sponsor. Pat Wusthoff finished as Event

Champion with a 98, and Jim Sykes (our 2008 Haywood Open 410 Event Champion) finished as Event Runner-up with a 97. AA1 went to Duane Lamley; A1 to Pete Pantalena; B1 to Jeffrey Rimer, our sub-junior shooter, with a very nice 95; C1 to Jeff Oz and D1 to Larry Van Overbeke.

The 20 gauge event sponsored by Inland Waters Pollution Control was our last event of the day. First we would like to thank Inland Waters for their continued support of our registered skeet program. They have sponsored a gun at both our Haywood Open and Fall shoots the last two years, we also need to thank Jeff Rimer for continuing to work with this sponsor. Young Jeffrey Rimer must like shooting in the rain. As I mentioned above he shot a 95 in 410 and followed it up with the lone 100 of the day to finish as the Event Champion in the 20 gauge event. This was Jeffrey's first ever 100 straight, and we all enjoyed shooting his hat! There was a three way tie for runner up with 99's Rich Curlett finished strong in the shootoff to finish as runner up. Dave Pratt took AA1, and Duane Lamley finished AA2. Loraine Malloy was A1; Frank Pantalena B1; and Jeff Oz finished C1.

Sunday morning was still rainy as we started the 28 gauge event, but no where near as wet as the day before. We welcomed a new sponsor on board for this event, Gerald J. Stanley & Associates. We again thank Jeff Rimer for his help in obtaining this sponsor. Pete Pantalena was our Event Champion with a 100. Jeff Rimer finished event runner up with a very nice 99. AA1 went to Chester Kowalski; A1 to Jim Sykes; B1 to Frank Pantalena; C1 to Jeffrey Rimer; and D1 to Sean Marshall.

Michigan CAT was our 12 gauge sponsor, and we would like to thank them for supporting our entire registered skeet program this year as well as 2007. We would also like to thank Jim Sykes for his help in obtaining MI CAT's support of our program. The scores in this event reflect the fact that we all stayed dry!! Three shooters finished with perfect scores and took the line for the shoots offs. Pat Wusthoff finished as Event Champion, Duane Lamley as Event Runner Up and Dave Pratt took AA1. The rest of the

classes were - Richard Curlett, A1; Mike McDade B1; Jeff Rimer C1 and Sean Marshall D1.

Don Mills Poured Walls, another returning sponsor, provided the added money for our HOA event. We would like to thank Don's daughter Donell Miller for encouraging her father to provide this sponsorship. Duane Lamley finished as Event Champion with a 392, Dave Pratt finished as Event Runner Up with a 390. Jim Sykes was A1, Mike McDade B1, and Jeffrey Rimer C1.

Downriver Surgery Center was our HAA sponsor. Another thanks to Jeff Rimer for his recruiting efforts. Duane Lamley was Event Champion with a 491. Event Runner up was settled by shoot off. Pete Pantalena finished as event runner up over Dave Pratt who took AA1. A1 went to Jim Sykes; B1 to Mike McDade; C1 to Jeffrey Rimer.

We would like to thank all the shooters for attending in spite of the rain. I hope that the spring shoots don't turn up stories of cracked stocks after the soaking that all of our guns took! I would also like to thank our members who took the referee exam and supplied the man power to score the shoot, the help was really appreciated. I heard one of the new refs say that scoring is **way** more stressful than shooting. Lastly we would again like to thank our event sponsors, we hope that they understand how much we appreciate the support in spite of the hard economic times.

Till next year, always strive to shoot 2 at low eight!!
