DGC Hosts SCTP State Shoot

June 14, 15, 16 2019

This past weekend, your club hosted the Michigan Scholastic Clay Target Program State Shoot. We had over 300 kids who participated in the event. The shoot ran from Friday through Sunday and was a huge success. Although the weather didn't cooperate, we didn't let it stop us.

Total skeet targets thrown... 29,200. Total sporting clay targets thrown... 22,800.

Louise (our new cook) did a fabulous job keeping these hungry kids fed! They practically ate us out of house & home. If you have not had the pleasure of meeting Louise, or, tried her fabulous food, you need to make it a priority on your to do list. She is awesome!
