

Become a NSSA Certified Skeet Instructor

Coming to **Jackson County Sportsman's** on **January 14th & 15th 2017** Your chance to attend a National Skeet Shooting Association's Level I or Associate Instructor Course.

Requirements:

- Current NSSA member
- 18 years of age up
- C Class or higher in one gun, currently or previously

There must be at least three students for the class to occur. The cost is \$300 plus shooting and facility expenses. Student instructors will learn teaching techniques, the system for bringing on beginners, and all about shotgun shooting fundamentals.

Associate Instructor classes are for those who do not have a "C" class in any gun. The courses will be the same as a Level One Course, with the same materials and will be taught by a Zone Instructor. The cost is \$300. Associates will not be listed on the website. The primary purpose of the Associate Instructor Program is to promote youth shooting in a safe, conscientious manner, while providing the sound fundamentals of skeet shooting. These credentials are for teaching youth and not for profit. The first year of membership with the NSSA is free under the Complimentary Limited Membership (CLM) program.
