

## [Skeet Referee Training!!](#)

You're invited to come and learn the rules and regulations to become an Official NSSA/MSA Referee at [North Macomb Sportsman's Club](#) on **March 23rd** from **11 am – 2 pm** or [Genesee Sportsman's Club](#) on **April 6<sup>th</sup>** from **11 am – 3 pm**.

We will be reviewing the NSSA rule book, spending time on a skeet field training with practical situations, and completing certification testing.

NSSA certification is optional for a \$10 application fee, and good for 3 years. Certified or not, all those interested in learning more about skeet shooting are welcome to participate.

It takes good referees to make all of Michigan's NSSA registered shoots a success! **All referees currently certified are welcome to attend and participate in our field training.**

Those planning on joining us are encouraged to review the rule book and certification testing prior to training day.

For rule book and certification testing visit:  
<http://myntsa.nssa-nsca.org/referees>

---

If you're interested in attending, contact Teresa Strieter at [ChiefRefMSA@gmail.com](mailto:ChiefRefMSA@gmail.com) or [586-265-6126](tel:586-265-6126).
