

Michigan Points Race Team

The Points-Based System Team **rewards participation and winning at all class levels.** The points-based system described below encourages shooters to compete both within Michigan and outside the state to acquire more points for the **Michigan Points Team.**

Michigan shooters will be awarded points for shoots reported on the MSA Website. Note that points are weighted more for Michigan shoots to encourage participation within the state for the Points Team.

Points are awarded as follows...

Michigan Points Race Team

Recognizing that Skeet is a game of perfection and heartbreak, at large shoots perfect scores often do not place. In light of that, the following Score Award points shall be added if the scores detailed in the table below are shot in the respective event.

100 Target Event Score Award Points

<u>Event</u>	<u>Points Awarded</u>				
12 gauge	100	99	98		
20 gauge	100	99	98		
28 gauge	100	99	98	97	
.410 gauge	100	99	98	96	96
Doubles	100	99	98	97	

HOA: All top four HOA event scores in addition to event points, if applicable.

50 Target Event Score Award Points

<u>Event</u>	<u>Points Awarded</u>
12 gauge	50
20 gauge	50
28 gauge	50
.410 gauge	50
Doubles	50
HOA	200

HOA: All top four HOA event scores in addition to event points, if applicable.

Top Eight (8) Points Shoots

Michigan shooters annual points total are based on the points earned from the eight (8) shoots which provide an individual with the most points.

World and National Level Shoot Recognition

The National Skeet Shooting Association manages and conducts the Mini World, Main World, U.S. Open and Masters shoots. If any these shoots are attended by Michigan residents, and score/winner reports can be acquired from shoot management, they will be counted as an "out-of-state shoot" for awarding points.

Required Minimums

To be eligible for selection to the Points Race Team individuals must shoot the All-State Team required minimums of 800 targets in the 12, 20 & 28 gauge and .410 bore, and 500 targets in Doubles.
